Letter of Commitment for Participation in Fuel Reduction Projects

To Whom It May Concern:

I give my commitment to participate with **Western Fuels Management** in the Fuels Reduction Project outlined below. I will participate freely in the project. I consent to fuels reduction work being undertaken on my land.

Landowner will hold harmless the **Western Fuels Management** and the VCFD in connection with any loss or liability or injury to persons or property that arise from performance of work under this agreement. **Western Fuels Management** will hold harmless the Landowner (and any other entity involved in this project) in connection with any loss or liability or injury to persons or property that arise from performance of work under this agreement. Work crews will have liability insurance provided by **Western Fuels Management** for work on Landowner's property.

The term of this agreement shall be for _____(dates). Within the dates specified, **Western Fuels Management** shall give me the landowner reasonable actual notice at least two weeks in advance, and any necessary arrangements will be made prior to each requested access. Reasonable and actual notice may be given by mail, in person, or by telephone. This agreement can be amended only by prior written notification of either party executing this agreement.
